Testimonials

"Ivy League Potential is such an amazing resource for high school students to get ready for the college admissions process. They have tons of resources for essay writing, college research, and so much more! would definitely recommend!" Video

"Hi Sonia, I hope you are well. I just wanted to let you know about college decisions. I was lucky enough to get quite a few acceptances, including MIT, UC Berkeley, Dartmouth, Cornell, and Northwestern. Thank you for our help over this past year!"

"I just was notified today that I got into Stanford, Yale, and Columbia. Thank you so much for your help!"

"Her expertise with college admissions really helped my application stand out. I was able to realize where I needed to work on with my essays and what I needed to do in order to make my application the best that it could be. The workshop based format worked great in allowing me to bounce ideas off of other class mates while also allowing Sonia to give her own feedback, allowing for much needed commentary on my essays. I highly recommend her service and I could not be more thankful for the opportunity that Sonia has given to me." <u>Video</u>

Cornell University. "Thank you so much! I would not have been able to do it without your help!"

"Thank you so much for all of the help and time you gave for my college application process. I know we got acquainted a little later than is normal with your other students, and I definitely pushed deadlines to the limit, but I really believe that you brought out my best work, and I am proud of every application I submitted. I'm certainly happy with the results!"

"Thank you so much for all your help with my college applications. I've decided to attend the University of Pennsylvania. And thanks to your help in negotiating financial aid, they have offered me \$16,000 more in financial aid!"
